

Code of Conduct

The present **Code of Conduct** outlines the key principles and behavioral guidelines for the German openEHR Modeling Group (GoEMG).

Commitment to the Code of Conduct

By participating in the German openEHR Modeling Group (GoEMG), I hereby commit to acknowledging and adhering to the present Code of Conduct of the GoEMG, and to act in accordance with the described terms of use and guidelines, and to agree to the data protection regulations.

I am willing to contribute my resources and expertise to support the goals of the German openEHR Modeling Group and to advance medical informatics for the benefit of healthcare in Germany.
